

Throughout Minnesota, now more than ever, United Ways are collaborating, uniting communities, and leveraging our collective power and resources to meet the needs in our local communities. It's what we do!

In Hastings

at the onset of the COVID-19 pandemic, United Way of Hastings assessed the emergency needs in our community and mobilized resources. We established a [Response & Recovery Fund](#), and with the generosity of community members, immediately funded more than 100 bags of food to older adults when their food delivery service was suspended.

Nearly 25 [Hastings High School](#) 9th & 10th graders failing in 1 or more courses improved their grades and passed classes with the help of our Communities in Schools counselor. All while distance learning during the pandemic.

Last school year, we provided nearly 150 bags of food [each week](#) to students from elementary to high school. We work to identify the root causes of weekend student hunger so kids can succeed at school.

We know many in the Hastings area still face tough situations like food insecurity, lack of access to medicine, mental health challenges, & more. For over 55 years, United Way of Hastings has been the **Heart of Hastings** helping those in need. Your financial support is needed to help our community recover, rebuild, and reimagine a thriving future. United, we will get through this together.

Give and Invest in the **Heart of Hastings**

Your gift supports community resources that serve struggling individuals in the Hastings area.
