SUBJECT: United Way of Hastings (UWH) Bridge Community Leaders – **Due by November 30**

YOU can make a difference in the lives of people right here in the Hastings area because your investment in our community stays local . . .

“I think that it saved my life. Being there taught me what domestic violence was and gave me the tools to use to move forward to make sure that I wouldn’t be in a situation like that again.” Tyler received help at the Hastings Lewis House, a UWH Funded Partner Agencies.

Tyler

Patty

Patty wants you to know that she would be homebound without UWH dollars that allow her to use the transit link bus to visit the Hastings Area Senior Center, another UWH Funded Partner Agency, for activities and fellowship.

How Can YOU Build a Better Hastings?

Hastings bridges have long been a symbol of connection in our community. By becoming a “Bridge Community Leader,” or increasing your existing Bridge Community Leader donor level, you lead the way in helping community members be strong, resilient, and connected.

Where Do YOUR Dollars Go?

Your dollars support community members like Tyler and Patty. More examples of the impact your dollars make can be found at www.unitedwayofhastings.org.

We need YOUR help to Build a Better Hastings.

Please complete and return the form on the reverse **by November 30**.

New! All Arch Bridge (\$1000) and Blue Bridge (\$500) Community Leaders will be recognized at the exclusive UWH Bridge Community Leader Breakfast in March 2018.

Note: unlike sponsorships, your Bridge Community Leader donation is tax deductible.
