### **Hastings Green Mill Donates \$2,000 to United Way of Hastings**

**(HASTINGS, MN)** Each year, the Hastings Green Mill provides catering services to Xcel Energy Prairie Island during its outages. The Hastings Green Mill gives back to the community by donating a portion of the proceeds to the United Way of Hastings (UWH).

“Xcel Energy and Hastings Green Mill have been tremendous supporters of the work of the United Way of Hastings,” said Mari E. Mellick, CAE, Executive Director. “This partnership is extremely important as it helps bring funds back into our community. The \$2,000.00 donation will help UWH make an impact with the youth programming that is planned for 2015.”

The UWH is an independent United Way that has worked for over 50 years serving Hastings and the surrounding rural communities within Independent School District #200. Its mission is to build partnerships to improve the lives of people in our community. Donations are accepted year-round. For more information about the UWH and the agencies it funds, visit [www.unitedwayofhastings.org](http://www.unitedwayofhastings.org).
