How will you save lives?

NOT ALL PILLS ARE REAL

Fentanyl Poisoning Awareness

#1 cause of death for adults 18-45 years old is fentanyl poisoning (per CDC)

Food4Kids

Helping Kids Succeed

Fentanyl Poisoning Crisis

(per Dakota County Drug Task Force)

- 2022 seized 112,321 pills > last 20 yrs combined
- 2023 Q1&Q2 seized 145,273 pills > 2022 entire year
- 2023 Q1&Q2 seized 18.57 lbs pure fentanyl > 2022 entire year
- On pace to seize more fentanyl in 2023 > last 3 years combined
- Impact: Conducted nearly 10 educational events in last 2 years to build awareness, reduce stigma, provide resources

Food4Kids

- Weekend food for students so they can arrive back to school on Mondays nourished & ready to learn
- Impact: Over 200 food bags per WEEK provided for local students AND resources / counseling provided for families

Helping Kids Succeed

- Strong webs of support are a better indicator of eventual adult success than income, demographics, race, or a range of factors
- Impact: Web of Support taught annually to 5th - 10th graders

You can save lives by investing in:

Fentanyl Poisoning Awareness - bring a family member to the next educational event & learn about One Pill Can Kill

Food4Kids - \$5 = 1 weekend food bag, \$200 = 40 weekend food bags; or host a food/cash fundraiser at work or in your neighborhood

Helping Kids Succeed - get the Helping Kids Succeed Handbook & have a talk over dinner with young people about importance of anchors
